Institute : Registration Process

STUDY IN INDIA

SII aims to provide international students with learning opportunities in reputed educational institutes. To ensure the same, the programme strictly partners with institutes that are eligible as per the following norms:
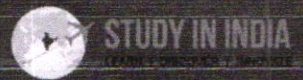

- NIRF Top 100 in any category
- Or NAAC grading of >=3.01
- Or Institute of Eminence
- Or Institute of National importance

- Institutes fulfilling the above-mentioned criteria, are requested to register with Study in India.

- Institutes which are registered with Study in India, can only intake foreign students.

- Foreign students will only be granted Student Visa, once the foreign student registers with Study in India & generate their unique SII ID, which will be used to track their admission, VISA & FRRO.

NOTE : Previously partnered institute of Study in India need not register again, their data has been already replicated to the new website.
