COLLEGE OF NURSING
ACCREDITED BY NAAC WITH A GRADE

AMALA COLLEGE OF NURSING AQAR (2022-2023)

CRITERION 8 – B 3 NURSING COLLEGE

Key Indicator 8.1

Metric No. 8.1.1 Training in the clinical skills and simulation labs are organized with reference to acquisition and enhancement of skills in basic and advance procedures such as BLS/ALS, Venipuncture, ET intubation/suctioning, central line insertion procedures (PG - as per clinical specialty)

SUBMITTED TO

National Assessment and Accreditation Council

Adult health nursing

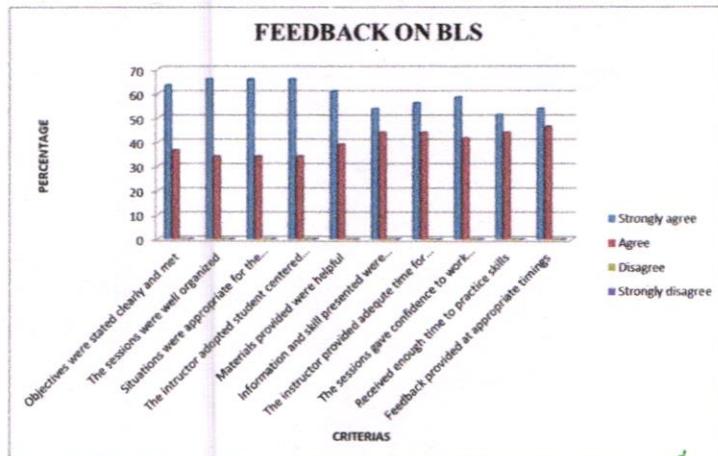

AMALA COLLEGE OF NURSING

(An undertaking of Amala Cancer Hospital Society)

Amala Nagar P.O., Thrissur-680 555, Kerala, India.

DEPARTMENT OF MEDICAL SURGICAL NURSING SIMULATION TRAINING ON BASIC LIFE SUPPORT

The department of medical surgical nursing organized a simulation session for 3rd year Bsc nursing 2018 batch on “basic life support” on 20-01-2022. The three stages of simulation was followed. In prebriefing session facilitator explained the objectives, cases scenarion and assigned roles. The students performed well during the scenario session. In debriefing, the studets reflected upon the events took place as guided by the facilitator. The sessions were taught by Mr Don Jose K, Assistant Professor, Amala college of nursing. The sessions provided an opportunity for the students to improve their hands on skills. For monitoring the effectiveness of simulation sessions student evaluation was taken using a feedback form.

REPORT ON SIMULATION TRAINING –BREAST EXAMINATION

The students of II year BSc nursing were given simulation training on Breast examination on 8/6/2022 at 2 to 4pm. They were given simulation training on this procedure from the simulation lab. First in pre briefing session scenario was explained. During simulation training they were divided into different groups for simulation sessions. Individual training was also given to improve the practical skills of students. Return demonstration was done by each student and the required corrections were also provided. Debriefing session was carried out at the end on various practical difficulties they met and discussed solutions to solve problems. Students participated well, responded adequately and also expressed good feedback on the method of teaching.
