PREFACE

Amala Institute of Medical Sciences, named after Mary Immaculate, is a Minority Christian Institution, which is open to all irrespective of religion, caste or creed. It aims at giving effective training to the youth to become nursing professionals devoted to the healing ministry, especially in the rural areas. It also strives to strengthen the quality of service offered in the large number of medical institutions run by the community. AIMS is a Unit of Amala Cancer Hospital Society managed by the Devamatha Province of the Carmelites of Mary Immaculate (CMI), founded by St. Kuriakose Elias Chavara, a sage-cum-savant. Amala, at present, offers an MBBS, Medical PG courses, Ph.D. Nursing, M.Sc. Nursing and B.Sc. Nursing courses and is affiliated to the Kerala University of Health Sciences. Students are admitted to this institute as per the admission procedure stipulated by the concerned authorities and in the tenor of the admission policy of the management.

Placement: First year and Second Year M.Sc. Nursing

Theory : 15 hours

COURSE DESCRIPTION:

This course is designed to teach evidence-based practice (EBP) skills that will enable to conduct extensive evaluations of existing literature to improve patient care. The program provides a comprehensive overview of EBP, and the components essential for implementation of EBP in a clinical setting. It is designed to focus on skills needed to critically evaluate information available from research findings and professional consensus statements. During the course, each inter-professional team will develop a guideline and accompanying clinical decision support tool to support implementation
