## WHEREAS

- A. First party is a higher education institution in nursing with 200 UG students, 26 PG students and part time and full time Ph.D. students. First party is doing several research studies and intend to develop new health care machines and technology.
- B. Second party is a higher education institution in Engineering with annual intake of 300 UG students and is an accepted centre of IECD project. Second party is involved in several research project, software development and start up projects.
- C. The parties are desirous of entering into this MoU to declare their respective intentions and to establish a basis of co-operation and collaboration between the parties upon the terms as contained herein.

First party and Second party have reached an understanding as follows:

### 1. Objective:

The parties, subject to the terms of MoU and the laws, rules, regulations and national policies from time to time in force, will endeavour to strengthen, promote and develop co-operation between the parties on the basis of equality and mutual benefit. The main objective is to share knowledge and technology to develop research based medical and allied equipments.

### 2. Areas of co-operation:

- 2.1. Developing geriatric assistive devices based on research.
- 2.2. Developing softwares for enhancing research.
- 2.3. Technological help in developing nursing care equipments to patients and care settings.

Initial

First Party .....

Second Party .....

- 2.4. Collaborate with IEDC of second party to develop start up community.
- 2.5. Develop an incubation centre in the campus of first party with the technical help of second party.
- 2.6. Academic and research methodology sharing between first party and second party.

### **3. Financial arrangements:**

- 3.1. This MoU will not give rise to any financial obligation by one party to the other.

### **4. Confidentiality**

- 4.1. Each Party shall undertake to observe the secrecy of confidential information received from or supplied to the other parties during the period of implementation of this MoU or other agreements made pursuant to this MoU.
- 4.2. For purposes of this MoU, "confidential information" means any information whether prior to or hereinafter disclosed by a Party (the Disclosing Party) to the other parties (the receiving party) of this MoU involving technical, business, marketing, policy, knowhow, planning, project management and other information, data and/or solutions in any form, including but not limited to any information which is designated in writing to be confidential or by its nature intended to be for the knowledge of the receiving party or if orally given, is given in the circumstances of confidence.
- 4.3. All parties agree that the provisions of this clause shall continue to be binding between the Parties notwithstanding the termination of this MoU.

Initial

First Party .....

Second Party .....

## 5. Intellectual property rights:

- 5.1. The intellectual property rights shall be enforced in conformity with the respective national laws, rules and regulations of the parties.
- 5.2. Equal weightage will be given to both parties for patenting of new outcome of this MoU.
- 5.3. For publications of any articles related to the work under this MoU, the authorship will be decided based on the gravity of work of involved persons and also based on the common consensus between parties.
- 5.4. The use of name, logo and / or official emblem of any of the parties on any publication, document and / or paper is prohibited without the prior written approval of either party.

## 6. Effect of MoU

This MoU serves only as a record of the Parties' intentions and does not constitute, and is not intended to constitute or create, obligations under domestic or international law and will not give rise to any legal process and will not be deemed to constitute or create any legally binding or enforceable obligations, express or implied.

## 7. No agency

Nothing contained herein shall be construed so as to constitute a joint venture partnership or formal business organization of any kind between the parties or so to constitute either party as the agent of the other.

## 8. Entry into effect and duration

- 8.1. This MoU will come into effect on the date of signing and will remain in effect for a period of three (3) year.
- 8.2. This MoU may be extended for a further period as may be agreed in writing by the Parties.

Initial

First Party .....

Second Party .....

## 9. Revision, variation, amendment and termination

- 9.1. Any party may request in writing a revision, variation or amendment of this MoU.
- 9.2. Any such revision, variation or amendment agreed to by the Parties shall be in writing and shall form part of this MoU.
- 9.3. Such revision, variation or amendment shall come into force on such date as may be determined by the parties.
- 9.4. Any party may terminate this MoU by giving six (6) months advance notice in writing to the other party.
- 9.5. Any revision, variation, amendment, termination or expiration shall not prejudice the implementation of any project, activity or cooperation arising from or based on this MoU before or up to the date of such revision, variation or amendment.

## 10. Super vening events

- 10.1.1. Notwithstanding sub-clause 9.1, should any other event occur which hinders or restricts the implementation of this MoU, the parties shall use their best endeavour to agree upon such action, as may be necessary and equitable, to remove the cause of such event.

## 11. Settlement of disputes

Any difference or disputes between the Parties concerning the interpretation and /or implementation and/or application of any of the provisions of this MoU shall be settled amicably through mutual consultation and /or negotiations between the Parties without reference to any third party or international tribunal.

Initial

First Party .....

Second Party .....

## 12. Competent authorities

The authorities responsible for the fulfillment of this MoU are the Principal of first party and Executive Director of Second Party.

## 13. Notices

13.1. Any communication under this MoU shall be in writing in the English language and delivered by registered mail to the address or sent to the electronic mail, as the case may be, shown below or to other such address or electronic mail address or facsimile number as either Party may have notified the sender and shall, unless otherwise provided herein, be deemed to be duly given or made when delivered to the recipient at such address or electronic mail address or facsimile number which is duly acknowledged.

**MOU ACTIVITY WITH CHRIST COLLEGE OF  
ENGINEERING**

# AMALA COLLEGE OF NURSING

(An undertaking of Amala Cancer Hospital Society)

Amala Nagar P.O., Thrissur-680 555, Kerala, India.

## Collaborative activity report with Christ College of Engineering, Irinjalakuda

As part of Mou, on 15/02/2022 faculty from Christ College of Engineering visit our institution . Purpose of the visit was regarding the follow up of projects and review of prototype. Medicine grinder and automatic syringe pump was the 2 projects reviewed with the help of hospital staff. Sr.Likitha, Mrs.Rinu David, Sr.Litha Lizbeth were the faculty attended the meeting. From Christ college, Mr.Sunil paul and Mr.Arun suggested modifications in the prototype. Discussion was also done regarding Robot preparation and modifications in the operation of the product. It was great experience while having a discussion with Christ College as it is our incubation center .
